Help

If you have questions about the purchase order contact Skanska's contact person shown in the purchase order.

If you need instructions on how to get the order details or how to create the order response, please contact Skanska Support at affarsstod@skanska.se or phone +46 10 448 01 00.

As a contact person for handling orders, you will receive an email when a purchase order has been created.

NOTE: Skanska wants confirmation of the purchase order within 24 hours.

If you have a user account in our Supplier Portal, you acknowledge the order there. You can reach Skanska's Supplier Portal via the link to accept the purchase order.

If you do not have a user account, you accept the order by making an email order response, see later section.

NOTE: The email contains an order pdf which gives the best overview regarding the content of the order.

Unconfirmed orders are indicated by exclamation mark.

Delayed confirmations are displayed with a warning.

Orders pending order confirmation can be of two types, a regular purchase order and a new revision of a previously placed order. To see the contents of an order, select the line, select actions and View pdf.

If you have more than one order, you will come to this overview page. If you only have one order, you will go directly to that order.
